INTERNAL REVENUE SERVICE, and

JANET YELLEN, in her official capacity

**Legal Notice of Existing Federal Income Taxing Status, Controversies, Disputes or  
Violations, *inter alia*, Involving the Stated or Declared Parties & the "IRS"**

I received a 13-page IRS Notice, which declared, in part:

"We are proposing changes to your 2021 Form 1040 tax return. This is not a bill."  
**Proposed amount due: \$12,080** See enclosed IRS Notice.

For the record, I received this notice on July 10, 2023, however, dated July 3, 2023, declaring I had to pay this amount due by August 2, 2023, If I should agree with your assessment. No section of U.S. Tax Law listed. Why? Interestingly, I noticed nowhere in this letter you declare my legal tax status or provide “your” 2021 Form 1040 tax return that you stated I filed. I never filed a 2021 tax return with you or any government agency.

FOR THE RECORD, **I DO NOT agree with your tax assessment, proposing changes, &/or “Proposed amount due: \$12,080”.**

FOR THE RECORD, I respectfully request that I be granted 90 days more time to respond to this legal notice, since I have not even been provided with a 30-day notice.

I request you provided a copy of the “2021 Form 1040 tax return”, in your filing system.

For the record, you enclosed a “Taxpayer Bill of Rights” document with this IRS Notice. However, as reported in U. S. Tax Court, on 08/07/2000, Docket Number: 8628-00 in the tax assessment case of Terry & Sheila Hinds, Petitioner v. Commissioner of Internal Revenue, Respondent, we declared our legal taxing status is pursuant to 26 U.S. Code §7701. Definitions

(30) United States person

The term "United States person" means-

(A) a citizen or resident of the United States,

Note: The U.S Tax Court removed us from their jurisdiction.

Terry & Sheila Hinds are NOT Taxpayers as within 26 U.S. Code §7701. Definitions. We have established "United States person" taxing status. Read the law. We get to file or declare our official status, such as we are married and have filed only a joint return with you; last time, over two decades ago. We have not filed a 1040 Tax Forms for over 25 years. Look it up if you do not believe this.

Furthermore, in a Federal lawsuit, I advised all entities within U.S. Government (“Gov’t.”) when a person believes in, practices, or makes a proper return to the IRS and their path of life, beliefs, and practices it manifests [Worship of Argumentative Wealth, Words & Wants of Materialism] (“Worthship”). We have put the IRS &/or Internal Revenue Service on written legal notice numerous times for the last two decades. I have declared my religious beliefs, *inter alia*, by filing on 02/2016 a federal lawsuit against “UNITED STATES” GOVERNMENT, since no one can tell me or show me the law that established the “IRS” or Internal Revenue Service.

Where is the Federal Tax Statute that allows the Internal Revenue Service to issue an IRS Notice CP2000, dated 7/3/2023, for Tax year 2021? (“IRS Notice”). This IRS Notice violates, The U.S. Supreme Court’s Compelled Speech Doctrine, as well as, my free exercise of religious belief, conscience, expression, association & protected speech.

JOSEPH R. BIDEN, JR., in your official capacity, you have been named because you have endorsed tax law respecting an establishment of religion, as you oversee the Gov't. and are involved in converting taxpayers into taxp[r]ayers; thus, all parties having an interest therein or adversely affected must be made parties or be cited.

DANIEL WERFEL, in your official capacity, you have been named because you are the Commissioner of the Internal Revenue Service. The Internal Revenue Service is a bureau of the Department of the Treasury and carries out the responsibilities of the Secretary of the Treasury under section 7801 of the Internal Revenue Code.

JANET YELLEN, in your official capacity you have been named because, as Secretary of the United States Department of the Treasury, you are responsible for the administration of U.S. Tax law.

MERRICK B. GARLAND, in your official capacity you have been named because you as Attorney General of the United States is responsible for the operation of the DOJ and enforcing U.S. Tax law.

Plaintiff maintains this "Notice to Parties of Pending Legal Action" have violated their Oath of Office, and official duty thereof, or failed to perform a duty owed to this complaint.

For the record your conduct or actions, collectively or individually, have converted Taxpayers into taxp[r]ayers that unduly favor one religion over another. Application of Internal Revenue Laws has manifested a devotion to a government religion, [Taxology], with an Institutional Faith in the IRS. ("[Taxism]").

I have publicly promulgated, in part: ***I am*** an architect of my life, liberty & pursuit of happiness. I know what is to come by the principle on which it is built. Freedom is the light of all sentient beings with the right to exist as *I am*, not as *any person*.

The decision on how you want to proceed with this matter is within your authority to act.
