To Potential Defendants/Respondents/Interested Party:

I received your Notice 5071C dated April 2, 2024, regarding filing status &/or making a [proper return] to the IRS their path of life, beliefs, and practices; manifesting Worship of Argumentative Wealth, Words & Wants of Materialism. (“[Worthship]”).

I never filed a 2021 or 2023 tax return, because "I am" not an IRS' Taxp[r]ayer. Filing a U.S. Individual Income Tax Return, Form 1040 (“[Form 1040]”) thus, regulates my viewpoint & the contents of protected or pure speech, speech plus conduct, *inter alia*. Expressive activities in freedom of worship, of mind, a right to refrain from speaking or an individual's freedom to choose his own creed are substantial burdens.

This Notice has no OMB# on it. **WHY?** I do not want to practice your religion or uphold any unconstitutional values, or any type of IRS' "lesson" focuses on required reading &

compelled speech using [1040] as a [proper return] in a dialogue forum of [Intellectual Tithing]. Thus, such actions or regulations of such conduct are [Burdens] & a subjugated lesson plan of **indoctrination as a condition of servitude**. The point here is that this Notice 5071C is in no proper sense a tax or legal; but an IRS "lesson" plan imposed under the guise of a taxing act or as IRS' religion. The purpose is to usurp [Rights].

This IRS' "lesson" of peer pressure turns into compulsion and ceases to be an inducement, via reading IRS' instructions/publications/opinions/notices/forms that generates "**taxes on knowledge**"; a constitutional evil of which the First Amendment was partly aimed.

I have told and instructed the IRS and others that **I am** pursuant to 26 U.S. Code § 7701 - Definitions (30)United States person
The term "United States person" means—
(A) a citizen or resident of the United States.

I am not pursuant to 26 U.S. Code § 7701 - Definitions (14)Taxpayer
The term "taxpayer" means any person subject to any internal revenue tax.

I have included some pertinent information as Court Exhibit, of which was never denied by U.S. Government in 2017. It is your job and legal duty, a claimed right owed to me that the U.S. Constitution and its germane Amendments be upheld and enforced against any and all government employees. You have violated your Oath of office.

I remind you what the U.S. Supreme Court Has held for over 70 years.

"Can the government compel someone to say something they don't want to say?"

"If there is any fixed star in our constitutional constellation, it is that no official, high or petty, **can prescribe what shall be orthodox in** politics, nationalism, **religion**, or other matters of opinion, or force citizens to confess by word or **act their faith therein.**" Board of Education v. Barnette, 319 U.S. 624, 642 (1943). In this sphere of intellect & spirit holds: "But freedom to differ is not limited to things that do not matter much. That would be a mere shadow of freedom. The test of its substance is **the right to differ as to things that touch the heart of the existing order.**" Id., at 642. Emphasis added.

I shall see you in U.S. District Court to seek relief from such actions or conduct.

"Deductions are a matter of grace, and Congress can, of course, disallow them as it chooses."

Commissioner v. Sullivan, 356 U.S. 27, 29 (1958)

The Personal and Spiritual Salvation of THEIRS

THE GREAT "WHATEVER" knows the words "collections" and "deductions" is a dichotomy... because the power to "lay and collect taxes" is a matter of law, whereas... the power to "choose and funded Deductions" are a matter of grace.
